

State-of-the-art software “made from scratch” for print and scan management – that is what our international team of specialists does best. And as collaborators in innovation as well as integral members of the Canon Group, we have strong partners on our side in a working environment that sets standards in terms of flexibility and features. From Bad Iburg, Germany, we stay in constant contact with our colleagues in New York, Singapore and Tokyo – and soon, we hope, with you.

JUNIOR IT PRODUCT MANAGER (M/F/D) PRINT AND SCAN MANAGEMENT SOFTWARE

This sounds amazing!

Have you completed your studies in economics or marketing and gathered experience in (B2B) marketing? Do you have incredible written and spoken skills in German and English? Do you consider yourself a team player and a go-getter – and do you already know your way around print technology?

Indeed!

**Experience?
Just a few months' worth.**

Are you at the start of your career? We're always on the lookout for new talent and can't wait to receive your application!

Our team of experts from over 35 countries is always in high spirits. In our “green building” in Bad Iburg, Germany, we work together to develop ideas, implement them, and put them to the test. By the way: How about discussing the latest print technology trends?

I love it!

Print technology isn't my strong suit unfortunately.

As a member of our team, you will soon be able to:

- develop product-specific marketing materials and campaigns
- compile web content
- create and publish current product information in English
- support our sales team's communication activities and assist our marketing managers in international projects

No need to worry. We offer inhouse product courses that will allow you to quickly brush up on your skills.

Perfect match. Is there any information available concerning the soft facts and benefits?

Unfortunately I don't think this is the right job for me :(

Any soft facts and benefits? Of course. We offer a super-flexible, highly modern, and well-equipped work space with daycare, plus a company bonus plan, continued professional development, driver safety training, and much more ... Have we piqued your interest?

Definitely!
